THE PLAIN TRUTH

What More Can Barre People Ask Than the Plain Truth?

When well known residents and highly respected people of Barre make such statements as the following, it must carry convictions to every reader:
Alvin F. Smith, retired, living at 19 West street, Barre, Vt., says: "I have never relapsed into the desperate condition that Doan's Kidney Pills rescued me from eight years ago. I told in a public statement at that time what Doan's Kidney Pills had done for me and every word was true. When one is well up in years and suffers terribly from pains around the back which are especially bad when stooping over, and a remedy is found which brings positive relief, it is no wonder that he should recommend it to others. Doan's Kidney Pills, sold at E. A. Drown's drug store, brought me prompt relief from my trouble, and although during the years which have elapsed I have had other attacks, I have always used Doan's Kidney Pills at such time and never in vain. Of course, I hardly expect an absolute cure, but I can certainly recommend Doan's Kidney Pills to anyone in need of such a medicine."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

MRS. SAGE'S MONEY.

Statement About How She Is Going to Give It Away Denied.

New York, Nov. 13.—Although the general understanding is that the widow of Russell Sage will give away the bulk of her \$80,000,000 fortune to those whom she considers worthy of her charity, an interview purporting to come from her in which she was made to say that her intention was to help worthy individuals rather than churches or institutions and that she desired to assist those who through no fault of their own were in need of aid, was denied at the Sage home yesterday.

De Lancy Nicoll, general counsel for the Sage interests, said he knew nothing of the alleged interview. He referred all inquiries to Mrs. Sage's personal counsel, Robert W. DeForest, who issued the following statement:
"Mrs. Sage has sought retirement at her quiet country village home on Long Island. She wishes her natural desire for retirement to be respected. She has, I am sure, authorized no statement of her intentions with regard to the distribution of the fortune which will come to her when Mr. Sage's estate is administered. She is, I know, overwhelmed by applications of all kinds, both in the form of letters and requests for personal interviews, and she is not likely, I think, to give any heed to those who press their desires upon her, whether it be for individual wants or institutional needs. In this period of her early widowhood, when she has sought seclusion, and before Mr. Sage's estate is administered."

MAKE A TEST CASE.

Sale of Tickets for Drawings at Public Fairs Is Illegal.

Stamford, Ct., Nov. 13.—Judge Downes of the city court yesterday handed down his decision in the case against Dr. Francis J. Rogers, to determine whether or not the sale of tickets for drawings at public fairs is legal.

The decision is against Dr. Rogers, who is fined \$1 and costs.
The case was brought at the instigation of several local clergymen who came across what they called a certain form of lottery at the Elks' fair, consisting of the sale of tickets for drawing automobiles, pianos and other pieces of merchandise. To make it a test case, Dr. Rogers, who formerly was chief ruler of the Elks, was arrested and tried. Counsel for Dr. Rogers announced that an appeal will be taken to the superior court.

NEWSPAPER EDITOR MADE HELPLESS

URIC-O CURED HIM.

Rheumatism Tortured and Crippled Mr. Theo. D. Hatley of Kennett Square, Pa.

Dear Friend:
You will remember of my writing you some time ago regarding Uric-O for rheumatism. I took your advice and purchased three bottles from your local druggist and began its use at once. Favorable effects were experienced and I improved. I have used the three bottles and can truthfully state that I am a well man.
Uric-O has cured in me as bad a case of rheumatism as ever existed. My suffering for months was intense, some nights not able to get one moment's sleep, could not raise my right hand to my head—had to do all with my left. I could not even dress myself for over three months. My trouble being inflammatory rheumatism had settled in my right arm and shoulder, crippling, as I thought, permanently. This is the third letter I have written, a thing I hardly expected to be able to do again, as I did not think I could possibly recover from the terrible effects of the disease, as you know I am past the four score year on the way to the "New Jerusalem." I am happy to state that after suffering so long with the most painful forms of rheumatism, that Uric-O has cured me and I am now in normal conditions exist. My former strength is improving, and yet for all I am 85 years old, sleep well again, eat well, and as hale and hearty as a man at the age of 40. I thank you again most heartily for recommending Uric-O to me. I can now recommend it to my friends.
The Red Cross Pharmacy is the Uric-O store in Barre.

Made Happy for Life.

Great happiness came into the home of S. C. Blair, school superintendent at St. Albans, Vt., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' dance, which yielded to no treatment, but grew steadily worse until as a last resort, we tried Electric Bitters, and I rejoice to say that three bottles effected a complete cure." Quick, sure cure for nervous complaints, general debility, female weaknesses, impoverished blood and malaria. Guaranteed by the Red Cross pharmacy. Price 50c.

The Poultry Industry.

It is a fact not generally known that of all farm products poultry stands fifth in value. It is estimated that the cash derived from the sale of poultry and eggs amounts to half a billion dollars annually. Farmers, however, are only beginning to realize the profits that can be obtained from a well cared for flock of hens. It is doubtless true that many could more than double their present gain if they gave a little more attention to the feeding problem. Guy H. Parker of Middletown Springs, Vt., writes of the way he increased the egg production of his fowls: "My hens have doubled on the number of eggs since I began to use your 'Page's Perfected Poultry Food.'"

Any one sending his address on a postal card to C. S. Page, Hyde Park, Vt., and mentioning this paper, will receive by mail, free, postpaid, a sample package of "Page's Perfected Poultry Food."

MANY SENATORS STAND PAT

Do Not Agree With Cullom on Revisions

ADMISSION MONEY USED

For Votes in Maryland—Delaware Votes Again Eliminate Addicks—Hoch's Plurality Found to Be 1,703.

Washington, Nov. 13.—Senator Burrows of Michigan and Senator Fulton of Oregon, who are now in Washington, agree with Senator Cullom that if tariff revision is to be undertaken at all it should be at a special session of Congress to be convened immediately after the adjournment of the fifty-ninth Congress on March 4 next. They do not, however, agree with Mr. Cullom that there is any general demand for tariff legislation as far as they have observed. Republican senators who are arriving in Washington are not, as a rule, eager for tariff revision.

MONEY FOR VOTES IN MARYLAND.

This Openly Admitted by Republican Congressman-elect.

Baltimore, Md., Nov. 13.—William H. Jackson, who has just been elected by a plurality of nearly 2,500 over Congressman Thomas A. Smith, in the first congressional district, has openly admitted that money had been used in buying votes for him on the eastern shore. It is understood that the violation of the agreement between Mr. William H. Jackson and his brother, ex-governor E. E. Jackson, to spend no money in Wisconsin county, was broken by the Republicans because it was discovered the Democrats were using whiskey to influence voters. This, it is said, was considered an excuse by Mr. Jackson to ignore the agreement on his side, and there is no question but that a great deal of money was spent in the county by the Jackson people. There is now in Salisbury a movement to secure the indictment and punishment of those who dissipated the money among the voters. James E. Elligood is leading this movement and asserts that he purposes to go to the bottom of it and will push the charges just as hard against the Democrats if he finds they have been guilty, as he will against the Republicans. The Wisconsin News, which is State Senator Brewington's paper, in its last issue makes the emphatic charge that the Republicans used money to buy votes in the county and that there was bribery practiced. An investigating committee has been appointed to consider the charges.

ADDICKS ELIMINATED AGAIN.

Pennell or Richardson Will Be Delaware's Next Senator.

Wilmington, Del., Nov. 13.—The next United States senator from Delaware will be either Judge James Pennell or Dover or Harry A. Richardson, a wealthy man of the same town. Both are prominent Republicans.

An announcement to this effect is made by a leader who is close to the DuPonts and who knows whereof he speaks. One of the results of the election of an overwhelming Republican majority in the legislature—the Republican strength will be thirty-six, including three holdover senators, out of a total membership of fifty-two—will be the failure of Senator J. Frank Allen to succeed himself. Allen is working hard to be elected and is being aided by Dr. Caleb R. Layton of Georgetown, auditor of the state department at Washington, but it is declared that his efforts will be in vain. Another and an important result of the election is the final and complete elimination of J. Edward Addicks from the politics of Delaware. What the harmony Republican state convention of September 5 at Dover failed to do the voters themselves accomplished.

Hoch's Plurality 1,703.

Topeka, Kan., Nov. 13.—The official canvass made up in noon yesterday showed 100 out of 103 counties in the state and gave E. W. Hoch, Republican, a plurality over W. A. Harris, Democrat.
